VVT Oil Control Valve 15340-31010 1534031010 Oil Flow Regulation

Our Product Introduction

For more products please visit us on automobile-sparepart.com

Basic Information

- Place of Origin: CHINA
- Brand Name: NABO
- Certification: TS16949
- Model Number: 15340-31010
- Minimum Order Quantity: 10 PCS
- Price: \$4.85 ~ \$5.87
- Packaging Details: poly bag or air bubble bag, any boxes with customers' label, Corrugated box , Standard tray
- Delivery Time: 3~30 work days
- Payment Terms: D/P, L/C, T/T
- Supply Ability: 1000 pcs per day

Product Specification

- Valve Type: Oil Control Valves
- Application: For Hyundai
- Engine Capacity: 2.0/2.4
- Material: Metal + Plastic
- Temperature Range: -20°C To +120°C
- Packaging: According To Customers' Requirements
- Warranty: 24 Months
- Highlight: 15340-31010, 1534031010

Product Description

15340-31010 1534031010 VVT Oil Control Valve for 2011-2014 Hyundai Santa Fe Tucson Optima

Product Description:

The **Oil Control Valve (OCV)** is an essential part of a vehicle's engine. It assists in managing the distribution of oil to the various components of the engine. It is generally managed by the engine management system, which plays a central part in sustaining appropriate oil pressure and timing to ensure that the engine operates efficiently.

The most remarkable aspect of the OCV is that it helps ensure the oil reaches every component of the engine. The valve enables oil to circulate exactly where it is required, safeguarding the engine components are properly lubricated and cooled. This is essential for optimized engine performance.

Features:

Oil Flow Regulation

Our oil control valve is designed with accuracy and precision in mind. It is capable of controlling the oil flow to the engine's components with great accuracy, leading to the best lubrication and performance possible.

Oil Pressure Regulation

Our OCV helps maintain the necessary oil pressure for engines with variable oil pressure systems. It can precisely adjust the oil flow to keep an ideal and consistent oil pressure that helps lubricate, cool and protect the engine components from wear and tear.

Durable Construction

Our OCV is built with strength and durability in mind. It is completed with a robust housing and high-quality internal components to provide impeccable anti-corrosion protection and long-lasting performance.

Compatibility and Easy Installation

This OCV is designed to be a direct fit replacement of your vehicle's original equipment, and perfectly matches its specifications and mounting points. It ensures easy and straightforward installation process.

Support and Services:

We provide technical support and service for our Oil Control Valves. Our team of experienced engineers is available 24/7 to provide product advice, troubleshooting, and technical support. We also offer a complete range of after-sales services including installation, maintenance, and repair. If you require any additional assistance, please contact us and one of our team members will be happy to help.

FAQ:

1. Who are we?

We are based in Guangzhou, China, start from 2018, we are specilizing in all kinds of spare parts for Japanese cars and Korean cars, for example, engine parts, suspension parts,electric parts, steering parts,transmission parts, body parts. . .

2. How can we guarantee quality?

Always a pre-production sample before mass production;
Always final inspection before shipment.

3. Why should you buy from us from other suppliers?

We have experience in spare parts for more than 10+years
